

Dear Applicants,

Thank you for expressing your willingness to serve your community. Members of San Mateo County boards, committees and commissions provide information and recommendations to the Board of Supervisors and maintain a direct link between the people and their elected officials. These advisory groups provide a valuable service to the Board of Supervisors and are instrumental in the efficient and effective operation of County government.

Please complete the enclosed application and submit it by the deadline. You will be notified of the date, time and location of your interview. Generally the process of appointment takes about 30-60 days from the deadline to complete.

If you are not selected we will keep your name on file for 90 days so that you will again be considered should a new vacancy occur.

If you have any questions dealing specifically with the duties or activities of the board, committee or commission you are applying for, please contact the board, committee or commission liaison. For questions about the appointment process, please contact Alicia Garcia, Deputy Clerk of the Board at (650) 363-4634 or agarcia@smcgov.org.

Again, thank you for caring about your community and showing an interest in becoming involved.

Sincerely,

John L. Maltbie
County Manager / Clerk of the Board
